

Good evening ladies + gentlemen-

My name is Julie Veleis and I've been a Brentwood resident for almost 12 yrs.

Normally, I cannot attend these meetings, due to my sons basketball games, but tonight I could be here and felt led to come and speak up. I've been watching select board meeting for awhile and I finally watched last weeks over the weekend. All I can say is WOW!

I watched the video, I've seen the ZOOMED IN photo, listened to both women speak, listened to 2 select board members go on the attack + accuse another select board member of "bringing in dirty politics" and continue w/ their opinion of the situation. Stop trying to put the blame game on Mrs Mantegari.

Granite Grok  
is a divisive  
publication? why?  
Because it  
doesn't meet your  
criteria. Greg I  
could say that  
about select  
online + Union  
Leader

I'm sorry to tell you (IMO) the person who wrote said articles was spot on. They called out 2 public individuals on their hypocrisy. What is hypocrisy  
\* The practice of claiming to have moral standards or beliefs to which ones own behavior does not conform.

What we have hear folks is 2 particular individuals who got caught publically + they didn't like being called on it. ~~too~~

You have to practice what you preach. Stop w/ the DO AS I SAY, NOT AS I DO mentality! Take responsibility for your actions and stop trying to play the victim. OWN IT!

Mr. Morgan stated in the video, he felt it was harrassment + threatening? (Please do not get me going on the divisive + harrassing things that Ms. McConnell's camp has put forth in recent months. We'll just stop there Jon.

Now, what the real issue is here and what every parent should be concerned about is we have a publically elected SB member + town elected official expressing their distain for children including their own.

- Children are disgusting, gross, filthy animals.
- yes, they are I have a 3 yr old.

Let me ask you:

How do you think children will feel when they hear those words?  
Good? No, awful!

As we have heard in our country  
& in this community —  
Be kind, words hurt, spread love  
not hate!

Those words were hurtful, divisive  
& you should be ashamed of your  
public statement.

Children are beautiful creations  
from God above & nothing less!

Thank you!
