

- Wayne A. got quotes for new H2O hydrant for Tonry. Under \$400 for all but the standpipe and it's associated hardware. Joyce will look at budgeting for project, where \$ should come from.
- Motion made by Skip, seconded by David, and passed by voice vote - to have a new hose/hydrant installation between sections 2 & 4 (near the cedar tree). Expenses capped at \$500. Authorised expenditure.
- Joyce will continue to clean headstones as time is available.
- General shed moving discussion
