### Town Properties

Robin not in attendance so we will push discussion of Stevens Field Mowing & Trail Maintenance Plan to next meeting.

Documents were just sent from SELT regarding the Game Farm/Meadows Mirth Farm finalization. Bob asked all interested members to review the documents and submit comments to Bob to forward to town counsel for review. SELT would like a quick turn around but they have had a year to get us documents and are just now getting them to us. We will do our best not to hold up the process. We as secondary holders of the easement are looking out for the towns interest in the property.
